## What's Happening?

Philanthropy is the current focus in our Troop. In conjunction with the Ronald McDonald House and the type of families the house serves, the girls will be introduced to the Gulf Coast Kids House and what the house does to support kids in our area. They will understand how the two houses help children and the resources it depends on to continue to help the kids in our area.

Bridging Daisies will have homework go home with them as well as their remaining petals. Bridging Brownies are working on finishing up their legacy badges and will be offered a chance to work on some badges at home.

Tell your family and Friends about "GIVE BACK NIGHT!!!"(See Flyer)- This is open to all friends/family. Place on social media to spread the word.

Ronald McDonald House (RMH) Cookie night 3/23, drop your child off at 5:45p, pick up at 8p See FaceBook Event for details
