Snacks For 4/16/2018- Zoie Parmely
 Snacks For 5/07/2018- Zyla Scott
RSVP on social media Events

TROOP MEETING

March meetings focused on Philanthropy work, being considerate and caring, and how to write words of encouragement through notes/letters. In connection with Girls Scouts World Thinking Day, the unicorns learned about the Philippines. We had a guest speaker and ate ethnic food inspired from the Philippines. The unicorns learned dances, language and earned a Philippines patch.

Daisies- worked on completing petals for vest.
 Junior- Scribe Badge
 Brownie- Philanthropist Badge- learned meaning of Philanthropy, discussed needs v. want

Continued Philanthropy work- the unicorns chose to focus on healthcare, women, children and the homeless. The unicorns are continuing to work on their Safety Pin Award.

IMPORTANT

In efforts to streamline events and news, we are considering moving away from Facebook and only having our Troop's webpage. To many communication avenues can lead to miscommunication and frustration. The web page will be self-driven and the parent will need to check the webpage weekly to stay informed. We are working on the page to enhance the features to pay dues and RSVP for events.
